Summary

Aspiring Software Engineer passionate about designing and developing scalable, real-world applications that solve practical problems and create meaningful user experiences.

Technical Skills

Programming : Python

Web Technologies: HTML, CSS, React.js, Bootstrap

Database: MySQL

Tools: Git, GitHub

Soft Skills: Problem Solving, Teamwork

Experience

Python Developer Intern

Franklin Tech Pvt. Ltd.

Jun 2023 – Nov 2023

Bhimavaram

- Developed Python applications, improving overall system efficiency by 15%.
- Collaborated with a 5-member development team to debug and resolve software issues.
- Reduced reported bugs by 30% through effective troubleshooting and testing.
- Utilized Git and GitHub for version control and collaborative software development.

Education

B.Tech in Computer Science & Design

SRKR Engineering College, Bhimavaram

CGPA: 7.73/10

2024 – 2027

Diploma in Computer Science

Smt. B. Seetha Polytechnic, Bhimavaram

Percentage: 72.89%

2021 – 2024

SSC

Z.P. High School, Pallepalem

CGPA: 9.5/10

2020 – 2021

Projects

Health Plus – Healthcare Appointment System

Technologies: React.js, Node.js, Express.js, MongoDB, HTML, CSS, JavaScript

- Developed a full-stack healthcare appointment system using React.js, Node.js, Express.js, and MongoDB with secure JWT-based user authentication.
- Built appointment booking, patient management, AI-powered live chat, and automated email notification modules, reducing manual appointment handling by approximately 60%.
- Integrated MongoDB with RESTful APIs to manage patient records, appointments, and user accounts while ensuring secure password storage using bcrypt.
- Designed a fully responsive interface supporting voice/video consultation booking, improving accessibility across desktop and mobile devices.

Achievements & Certifications

- Viswakarma Innovation Project Expo-3.1 (2025) – Certificate of Participation.
- Machine Learning & Deep Learning Workshop (2025) – Certificate of Participation.
- APSCHE Short-Term Internship on MERN Stack (2026) – Certificate of Completion.
